

# Wilkes University Improv Club

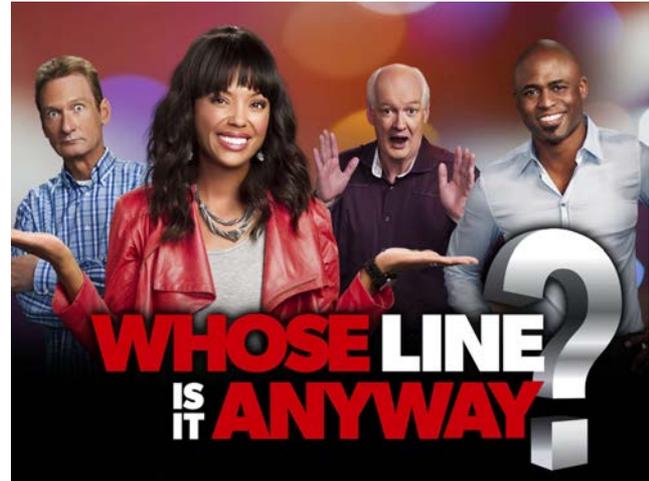

# About Me!

Hi, my name is Melodi (Mel) Wheeler! I am a freshman Musical Theatre major here at Wilkes. Ever since my freshman year of high school at Edison High School, I was a part of the the Edison High School Improv Club! I have an extensive knowledge in the art of improv theatre! I would love to share my passion for improv with the students at Wilkes University and just find a place where we can all come together to laugh and learn.

# What is improv?

Improv is a form of theatre, often comedy, in which most or all of what is performed is unplanned or unscripted: created spontaneously by the performers. Often the actors will get suggestions from the audience. No single improv performance will ever be the same! In improv you can never say no because it kills the scene to keep the scene going say “yes, and” ! Improv became popular from the show “Whose Line Is It Anyway”

## Who can attend improv?

LITERALLY EVERYONE!!! Improv is a fun activity for everyone, it helps with confidence, public speaking skills, and it is a great way to come out and meet new people. It is a great way to learn more about theatre and performance in an informal setting! Even if you do not want to get up in front of everyone it is a fun experience for all.

Something for  
EVERYONE!

## Goals For The Club:

- To explore a variety of improv warm-ups, games and scenes.
- To become comfortable with comedic theatre and working without a script.
- An end of the semester performance (optional for students)
- Charity work potential ideas:
  - 1. Go to a local elementary/middle school and teach students about improv
  - 2. For the performance we can sell tickets and donate the money to Broadway Cares Equity Fights Aids.

# Potential Meeting Time!
