ABOUT THE EVENT

Please join us for an interactive Group Presentation Session (GPS) to learn about opportunities for U.S. citizens to pursue graduate or professional study, conduct research, or teach English overseas. You'll find out about the types of Fulbright awards for students and early career professionals, application tips and timelines--and you'll get your questions answered, too. Following the program overview, attendees will enter a breakout room with their Fulbright Program Adviser(s) (FPA) to learn more about applying through Wilkes University.
