Say Hello to Teams!

We're making the switch from Zoom to Microsoft Teams as our primary platform for virtual staff meetings. Join us for a comprehensive training session to:

- Explore Teams' features and tools.
- Learn how to schedule and join meetings.
- Get tips on team collaboration and file sharing.
- Ask questions and get real-time support.

Don't miss this opportunity to receive hands-on training for the new platform that we will be using for virtual staff meetings!
