

MEDICARE INFORMATIONAL SEMINAR

WEDNESDAY, APRIL 23

6:30 PM TO 7:30 PM

Are you turning 65 this year? Are you already 65 or older? Medicare health benefits may be an option for you. Deciding to enroll in Medicare can be a daunting task and affect your current Wilkes health care benefits.

Over the years, the HR Department has received a number of inquiries and specific questions about Medicare. While we can answer many basic questions about Medicare, we've identified an expert resource that can assist you too. HTA is an organization that specializes in providing information and options that you may find helpful. Their services are offered at no cost to you and on a voluntary basis. You decide what works best for you. For more information about HTA, please visit their website using the link below. www.HTA-insurance.com

If you are interested in learning more, a webinar has been scheduled to explain how HTA can assist you in navigating the Medicare process. Please note, this service is not through the Wilkes University HR Department. Employees who would like to participate in this optional benefit will need to contact HTA directly in order to register for their services.

The webinar is scheduled for **Wednesday, April 23, 2024 6:30pm (1 hour)**.

PLEASE NOTE: COMPUTER AUDIO SPEAKERS ARE REQUIRED - NO PHONE DIAL-IN AVAILABLE
