

Gambling Awareness Program

IC360's **Gambling Awareness Program**

equips youth, emerging adults, coaches, and staff to understand and address problematic gambling and sports betting risks. We promote a safe and fair sporting environment through informed decision-making.

SCAN ME FOR MORE INFORMATION!

"This was an elite presentation...Probably the best mandatory learning presentation I've been to in over a decade of being a college coach."

Delivery Method:

- ☒ In-Person Educational Sessions
- ☒ Digital Content Supplementation

These methods help individuals make better-informed decisions, understand risks, provide guidance on safer gambling strategies, and know where to seek resources or support.
